

Client (and community) champion.

CB Richard Ellis/Sturges' Barry Sturges has always been a man with a vision — for his clients, for his community, and for his company. His work on Southtown Centre, Harrison Square — not to mention his extensive role as philanthropist and mentor — speaks volumes of his dedication to Fort Wayne. Barry leads CBRE/Sturges with courage and conviction, and he's created an environment where we champion our client partners...just as we've championed this community, **32 years strong.**

CBRE/Sturges is the region's largest full-service commercial real estate firm.
