Re: Mark Inman – Retail Services, CB Richard Ellis / Oklahoma City

During the past year we have worked with Mark on several projects in the Oklahoma City market and his exemplary performance has far exceeded our expectations. His market knowledge and real estate connections, coupled with his strong work ethic, has produced several leases for our shopping centers and five out-parcel sales or build to suit projects. We have benefited from his ability to acquire commitments from national tenants as well as local his local market connections.

I would highly recommend Mark due to his outstanding performance for us during the past year and his commitment to a high ethical standard and work ethic. If you have any questions regarding this letter please do not hesitate to call.

Best regards,
