

Guideline- Supplier Invoicing Process

Dear Supplier, In order to assist supplier invoicing and improve payments to our suppliers, CBRE has simplified our AP Processes. Please see below a reminder of the key requirements that must be met for any supplier invoices to be processed and paid by our central Accounts Payable Team.

Your invoice will only be further processed for payment providing the below invoice restrictions/requirements have been met:

Please Note: that this is also applicable to invoices relating to the legacy Johnson Controls GWS division. The process for CBRE Managed Services Limited is unchanged.

PO - The invoice must have a valid applicable CBRE PO Number. Contact your operations SPOC should you not have a purchase order reference as invoices containing either no PO or the incorrect PO number will not be paid.

1. Supplier - Name and address & VAT/Tax registration number	5. Net amounts broken down by tax rates
2. Customer (CBRE) - Name and address of customer & VAT/Tax registration number	6. VAT Amounts
