BUILDING COMMUNITIES WITH AN EYE ON THE FUTURE

Geyde Development, a full-service real estate and entertainment company, was founded in 2022 to build on the legacy of Eyde Construction while focusing on creative and innovative development in the Toledo area. The heart of our business is essentially excellent customer service, where the customers are not just our tenants and clients, but the whole community. We're working to understand and anticipate the community's needs so that we all prosper. Our logo features a Lebanon cedar, both a nod to our founder's heritage and a symbol of strength and resilience. We are here to put down roots and support our tenants' and clients' growth for the long haul.
